

Jana Adel

Social media expert, content creator, and digital marketing trainer

Cairo, Egypt | janaa.aadel@gmail.com | +20 102 767 0707

About

Jana combines audience insight, compelling storytelling, and practical strategy. Her experience spans operations, marketing research, content writing, campaign management, and digital-marketing training for young people and students.

Core expertise

Social media management

Platform-appropriate content planning, content calendars, community engagement, and campaign monitoring.

Content creation

Brand-led content ideas, copy, creative direction, proofreading, editing, and visual-production tools.

Marketing research and audience insight

Audience, competitor, market-signal, ideal-customer, and customer-journey analysis.

Market strategy

Practical recommendations for positioning, channels, campaigns, value propositions, and marketing plans.

Experience

Y-PEER | Online trainer

November 2021 - present | Train young people through online learning and interactive platforms.

Youth Qualification for Self-employment Project - Modern European Academy | Digital marketing trainer

October 2020 - present | Train students in marketing strategy, market research, ideal-customer definition, and customer journeys.

ELADL MEDIA CO. | Operations manager

February 2019 - present | Manage integrated teams and content quality for client accounts.

Horus Trading and Agricultural Development | Public relations specialist and marketing officer

August 2019 - January 2020 | Delivered campaign assets, market analysis, and competitor monitoring.

Selected content and results

Educational content for agricultural and finishing-services audiences turns recurring questions into helpful, branded content assets that create stronger customer conversations.

Performance KPI	Result
Agricultural-content reach	185,000 over 90 days
Engagement rate	8.4%
New messages and enquiries	122
Finishing-service site-visit requests	24 over 60 days
On-time delivery across managed accounts	94%
